Ibex Bistro Evening

February 13, 2010

Cocktails: 6:30 PM - Dinner: 7:00 PM

Founded by Dominique Legeai and Masato Suzuki of Lake Zurich's D & J Bistro, it's been in the hands of Legaei's daughter and son-in-law, Kendall College grads Lorraine and Christopher Barth, since 1997. **Retro Bistro**, located in Mount Prospect is recognized as one of Illinois's best restaurants, and has won several local diners' awards. They use only the finest ingredients in all of their dishes to ensure that every meal served is delicious and nutritious. Most of the selections available are either international or Tuscan cuisine.

Tucked away in a strip mall, this tiny bistro belies its locale with charming decor and sophisticated cuisine. The menu blends French bistro classics like escargot, steak au poivre and osso buco with more contemporary plates such as wasabi-crusting tuna, peppercorn-crusting pork loin and linguini with chicken, prosciutto and Boursin cheese.

Retro Bistro also has a wonderful selection of modest to intermediate priced wine to accompany your dinner.
