Moon's Musings

WOW! Its almost the fourth of July. Where has half the year gone? Seems like yesterday we were in Winter Park wishing everyone Happy New Year! As I look back at the first half of 2005 as past history, I also look at the second half thinking of trip planning, activity sign-ups, parties, friends, volleyball, bike rides, trips, making Ibex the best club anyone can join.

The process of planning exciting vacation trips for the club doesn't happen by itself, it involves a lot of time, effort, and planning that go into a great trip schedule. When you see Patrice, say thanks for all her work.

Patrice has posted the 2005-2006 Ibex Trip Schedule and pricing in this newsletter for your viewing pleasure.

A few things have changed over the past couple of years regarding trips, planes, and providers. The airlines are forcing providers to commit to seats much earlier than in past years, planes are smaller, consolidation of routes by airlines, and a host of other changes have changed the way we plan trips. We are faced with much stiffer penalties when and if we have to cancel spots. So, rather than implement a "Early Bird" price, please look at the trip schedule and make your plans early, so the club wont have to cancel spots and risk losing dollars in cancellation fees and penalties.

Keep Saturday, August 27th open for the Trip Sign-up Party,

Patrice has promised something new and different.

The picnic is scheduled for August 6, 2005 at Busse Woods. . The picnic has always been a great time with plenty of volleyball, games, food and refreshments.

Fall Colors has been scheduled for September 24-25, 2005. We had to move the date up a week because of construction on the Wilderness Course starting on October 1st.

We are going back to the same course and resort as last years Fall Colors.

The big difference is we are staying in FIVE BEDROOM ENTERTAINMENT CABINS on the golf course with a group cookout included in the price.

I checked out a couple of other courses, Eagle Ridge wasnt interested and Geneva National priced the weekend at over \$250.

Remember we start the meeting at eight sharp and try to get through quickly. Sign-up tables will be set up at the front of the room to try and make the sign up process more accessible for members.

Enjoy the summer with Ibex and the various activities Janine has planned for us.

Ibex is your club, so don't hesitate to contact me or anyone on the board with ideas or comments to make the experience even better.

Ibex Ski Trips

Many thanks to those of you who helped in the Trip Bidding, Evaluating, and Discussion process. It was very educational for me, and likely tried the patience of some. But the result is a fairly well understood trip itinerary for 2006.

TRIPS ANNOUNCEMENT: See the brochure in this mailer for all the trip details.

TRIP LEADERS NEEDED: Please contact me if you are interested in leading any of these trips. A trip leader needs to attend most of the meetings between September and the trip, and is responsible for promoting and marketing the trip, as well as planning the activities and leading/ delegating them while on the trip. The final piece in the Trip Leader puzzle is writing the summary article for the mailer. But one of the reasons Ibex runs great trips is its Trip Leaders!

DECEMBER BUS TRIP? Ski School pointed out that they would prefer to have a Midwest trip at the start of the season (to get the cobwebs out), which makes sense. If you have interest in going on a bus trip timed sometime in December (snow-willing), please let me know. Destination is likely Boyne, and this trip would be in addition to, not in place of, the February Granite Peak trip.

TRIP SIGNUP PARTY: Please save Saturday August 27th at 7 PM for the Trip Sign-Up Party. If you are not available on that night, and wish to sign up for trips, you may send the Trip Signup Form and your deposit check into the Club's P.O. Box. Trip Sign Up forms will be available in August at the meetings.

VOLUNTEERS NEEDED: If you can work a 45 minute shift at the Trip Signup Party, please let me know at 847.749.1946. Volunteers are needed to help with check- in, membership forms, etc.

6th Annual Broken Oar Bike Ride

Sunday, July 10th
10:00 AM

Approximate
Return Time:
3:00 PM

Get out your calendars and put a big star on the 10th of July, a Sunday, to remind you to attend the Ibex Broken Oar bike excursion.

This will be a "club" ride, which means that we will be making the trip as a group so if you haven't been riding lately or are not in the shape you hope to be in by ski season, you will still be able to keep up. The trip starts at Joe & Joan Heater's house in Palatine, winds about 18 miles on bike trails and county roads to the Broken

Oar Bar, and Grill located in McHenry County on the Fox River. For those of you who want to do a shorter version, you can meet us at the Cuba Marsh Forrest Preserve (corner of Cuba and Ela Roads) which is about our halfway point. For those who need it, there is a rest room here as well.

Our destination features and outdoor bar/ dinning "room" and attracts a variety of out door types, bikers of the varoom-varoom persuasion as well as boaters traveling up and down the Fox River. The food is good, the beer is cold, and you will be in the company of good friends. What else could you ask for?

Maps and queue sheets will be available at the meeting or if you cannot attend the meeting, e-mail me at jheater1@comcast.net and I will send all of the details.

One last note, there will be a SAG Wagon to assist any one who needs it during the trip.

Your trip Organizer is Joe Heater along with the able assistance of Roger Kasch.

SCUBA NEWS

AMBERGRIS CAYE, BELIZE – May 28 to June 4

A group of 12 Ibex enjoyed Belize. A description of the trip depends on who you talk to. Patty Z. & Susan went for two weeks, and the rest of us for just one. Pam Arnold, Mike & I arrived on time and spent the whole time at the beach doing a lot of scuba diving. The others got to spend 30 hours traveling (They ended up with a unexpected side trip to Oklahoma City.) and then they spent time in the jungle before coming to the beach. While in the jungle, the group split up for different tours. Janine & Mark went caving & tubing where Mark was seen swinging through the jungle like Tarzan. Ed, Sarah, Joan, Joe & Lorna went to see Tikal. When asked about their jungle excursion, the general comments were HUMIDITY, and that they had found a great restaurant. Leave it to Ibex to find good food & booze.

While at the beach, some did diving, most did snorkeling and everybody did a lot of walking on the beach. Most of us enjoyed shark encounters and we have pictures to prove it. Pam, Ed, Janine & Mark dove to 160 feet in the world famous Blue Hole. Ask Ed about his new nickname “The Huffer”. Joe Heater is the new “Snorkel King”. Joe was seen chasing & petting stingrays and sharks.

Most of us went on a snorkel & booze cruise on the last day. Everybody got a lot of sun & Mike enjoyed the local Beliken beer. Joan & Lorna found a new beverage called One Barrel Rum.

Overall a great trip: good people, good food, good booze, lots of laughs and fun times. But that’s not a surprise we’re Ibex.

TURKS & CAICOS – November 5 to 12

Enjoy a week of diving off the Turks & Caicos Explorer II for around \$2499. Only 1 spot left.

Any suggestions for next February?

HIGHLAND WOODS GOLF OUTING RECAP “LET’S DO IT AGAIN”

The Saturday began perfect for June, with sun and a mild wind. At Highland Woods, the highest point in Cook County, things were a little different. Some people wondered whether they should have brought along a jacket and long pants.

Thirty-two golfers got underway, the first group getting off late at 9:30. Fortunately, the beverage cart was on the course right from the beginning. Shortly after the first tee the skies seemed to cloud over and stayed that way the remainder of the morning with a good breeze. About 1:00 the clouds started to break-up and sun prevailed.

Everybody eventually made their way to Carl’s for food and libations. As usual, volleyball got going right away. Food came along about 5:30 and after dinner Uncle Hank announced the winners and losers.
