STEAMBOAT SPRINGS

Steamboat Springs is a resort town located in northwest Colorado.

Ibex is visiting this very famous resort from Feb28-March 4th 2006.

For the cost of \$910.00 per person,

this is what to expect:

- Direct flight from OHare to Hayden Airport
- 25 minute bus ride from Hayden to the Steamboat Condos
- Two to three person bedroom condos
- Condos are located within approximately 100-200 yards of the lift
- Four days of lifts with an optional one day pass for purchase
- Wine and cheese party
- Optional pub crawl and group dinner
- Nastar racing
- Free lessons from an Ibex instructor

Mountain Facts:

Steamboat is actually a complete mountain range. The base elevation is approximately 6900 ft, and the summit of the mountain is 10,568 feet. The vertical rise is 3668 ft which makes this the second highest in Col. Steamboat has 142 trails or over 65 miles, with the longest trail being over 3 miles long. (Now that would be a thigh burner for any of us mid-westerners.)

The average snow fall is 337 inches and the average temperature in March is 33F.

The resort focuses on intermediates;

56% of the trails are intermediate, 13% beginner, and the remainder of the runs is advanced. Steamboat is also known for its tree skiing, with many of the intermediate runs providing nice spaced trees for those who want to practice tree skiing in a non-intimidating environment. Steamboat also features Billy the Kid ski school, and every day Billy makes a run down one of the intermediate trails and anyone can ski with him. As all professional ski schools, the ski instructors are very good and cater to the needs of their clients. The resort also focuses on children, with special ski classes available to those of all ages. There are plenty of cross country trails and snow shoeing options available. The Steamboat town is also very fun focusing on the cowboy image. It offers a variety of restaurants with varying ethnic delights and a variety of bars. Your trip will feature a wine and cheese party and a Nastar race pending the interest of the group. Town is located 3.5 miles from the mountain and there are free shuttles running between the mountain base and the town. The town also features spa treatments and plenty of shopping for those who want to take a day off skiing and meander. There are plenty of spots open currently and a \$100.00 deposit secures your spot. Please e-mail Pat or Brian a bpbloome@sbcglobal.net.

Moons Musings

By The First Lady

Previously from your President:

Partly personal, I will be on a vacation October 15-30, 2005. Three of my friends from Iowa and the motorcycle racing years have decided to view Central America up close and personal. We are driving a van from Waterloo, Iowa south through Mexico to a goal of Costa Rica.

We may not make the goal, but we do need one. We plan to drive through Mexico, visit Guatemala, Honduras, Nicaragua, and try to make Costa Rica. We may not make the goal, but there is always next year. You have to be half nuts to be friends with these guys.

So, because of business and the Central America Odyssey, I will miss the next two meetings. Patrice will be the headliner in my absence.

Thanks so much for understanding my absence.....

This is what you read last month in the newsletter from your President. He planned on writing his monthly article prior to leaving the country, but then decided that not enough had happened to write about so he asked me to fill in, hence, First Lady!

He will fill you in when he returns on Oct 30th, but let me tell you that they ended up in Belize and Guatemala because of Hurricane Stan. Yes, hes still alive with one week to go as I write this article.

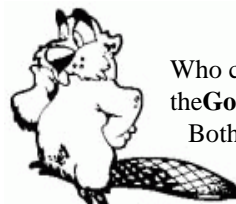

Thanks to Patrice for running short and sweet Ibex meetings in Craigs absence.

I would just like to remind everyone that is not currently involved in the club to start thinking about what a great club we have and how it could be even better if you were to share your skills and ideas with the club by running for office when the new election time arrives. All you have to do is talk to anyone on the Executive Board or the Board of Directors and find out what is involved in running and the responsibilities of these positions. It is really a fun time and helps you get to know everyone in the club. The current boards would like to start recruiting members early so we can run a smooth and fun election this spring.

Okay, Ill get off my soapbox and wish everyone a safe and happy 2005-2006 ski season.

Who could possibly mix up *Thomomys talpoides*, the Gopher, with *Castor Canadensis*, the Beaver??

Both rodents, yes, but the beaver is a Rodent Of Unusual Size, is it not?

IBEX TRIPS

TRIPS ANNOUNCEMENT: See the brochure in this mailer for the trip details.

Our trips are going well. We did cut some spots on Jackson Hole and Steamboat to avoid penalties. Please sign up as soon as you know you have the time and resources to go with us. I desperately want to avoid the situation of cutting spots on a trip and then having someone sign up late and not get on the trip because we already cut their spots.

Thanks to all of you for making your payments on time. You are being kind to your trip leader and your treasurer. We all appreciate your contributions to help the club run smoothly.

Spots available on our trips are in the Trip Tally:

GAMES NIGHT: 1ST Wednesday of Every Month (until further notice)

Back by popular demand: Mark is hosting Games Night starting on the first Wednesday of each month (which happens to coincide with our club meetings!) He'll run these every first meeting of the month until the weather improves — see related article for more information.

NEW MEMBERS PARTY

A great opportunity to join a really fun club and get to meet people who like to have fun just like you!! See related article for more information.

BAR OF THE MONTH Wednesday, Nov 23rd : Mill Rose Inn (Barrington)

Mill Rose is a favorite holiday kick-off for Ibex — last year we had about 15 hearty souls who braved the worst Mom Nature could dish out to share in the pre-holiday spirit with other fun-loving Ibex. Hopefully Mom won't test us again this year, but if she does: we'll be ready!!! Join us at Mill Rose whenever you decide to kick off work and start your Turkey Day weekend and quaff a delicious microbrew pint or two at one of our favorite establishments!!!

ACTIVITIES PLANNING: WE NEED YOU!!! Tuesday, December 6th

We've had a lot of fun this past year and that is largely due to the generous nature of our volunteer coordinators! It's time to plan the 2nd 1/2 of the year for fun in between ski trips next year, so come on out and join us at Chili's (on Willow and Rand) Tuesday, December 6th at 6:30p for our 2006 Activities Planning Meeting. I'm looking for fun things to do and fun people to run them — so come on out, get involved and have some fun!!! This meeting is not limited to long-time members — new members are more than welcomed! The "seasoned" Ibex can help with any coordination efforts that may be new, so don't be shy! Any and all coordination efforts are greatly appreciated!!

IBEX ANNUAL HOLIDAY PARTY:

The Annual Holiday Party will be on Wednesday, Dec 7th at Crave. Come out and get festive with Ibex!! See article in this newsletter for more details.

Lot's of things to look forward to — and the holidays should be a lot of fun as well!!!

Come on out, get involved and have some fun with some fun people!!!

IbexActivities@SkiIbex.com

Hold'em-Fold'em Night!! (aka: Games Night)

It's that time of year! With the weather getting cooler and the sun setting earlier, we move indoors and start up our Games Nights! They will be held the first meeting of each month starting at 6:30pm at Crave. There will be one round of instruction from 6:30p to 6:50p for whatever card game will be played that evening. We'll start the games promptly at 6:50pm. This will strictly be for fun, no money is required. Everyone will receive the equivalent of \$100 dollars of chips when you walk in the door. There will be two rounds of play. The 1st round will determine table assignments for the 2nd round. (The ski club meeting will be held between rounds from 8:00pm until around 8:20pm.)

Come on out and try your hand!

Mark

Ibex Ski and Snowboard School

Fall is in the air. The leaves are turning colors and are crisp under our feet. Thoughts turn to fall activities and the upcoming winter season. What could be more fun than skiing with your friends in Ibex? Did you think about how well you skied last season, was there anything you wanted to work on but didn't find the time for a lesson? Fear not!

The Ibex Ski and Snowboard school is putting their plans together for the upcoming season. We plan to have lessons on every trip. To start off the season on the right foot we are planning to have the Family Night skiing in December this year. See separate article on Family Night.

Lessons:

The following instructors have volunteered to teach on the trips this year. A \$10 refundable deposit for each trip holds your spot for lessons. Your instructors are:

He specializes in pediatric and adult orthopedics, joint revision and reconstruction, sports medicine, arthroscopic surgery, fracture care and minimally invasive outpatient partial knee replacement surgery. Lesson Procedures

for members and children of members:

If you or your child, are interested in taking free lessons on any of the IBEX trips, here are the steps to follow:

- **Sign-up with the trip leader for that trip.** You will be asked to provide the following:
 - o Refundable deposit of \$10 for each lesson
 - o Determine which type of lesson you want (Ski or Snowboard)
 - o Determine what level of lesson you need
- If you are signing up a minor (under age 21), complete a waiver for the minor. Only one waiver is required for the entire season!

Deposits:

- Members signing up for lessons will need to make a \$10 refundable deposit for each lesson. This can be in the form of cash or a check.
- A deposit is required for each lesson.
- This deposit is refundable at the end of the trip, if the member or member's child attends the lesson. If attendance does not occur the refund will not be made.
- If a deposit is not given by the last meeting prior to the trip departure date, the member runs the risk of not being allowed in the lesson. It is up to the instructor's discretion to include the member based on class size and lesson planned.
- Any arrangements for private lessons are outside the scope of this policy.

Lessons:

- There will be at least 1 lesson given for every 3 "trip" days of the trip. For example a 4 day trip will have 1 lesson. A week-long trip will have 2 lessons.
- If a member is signing up for only 1 lesson on a trip with more than 1 lesson scheduled, it must be the first lesson as subsequent lessons build on the previous and are based on the skills of the particular class participants.

Group versus Private lessons:

All lessons are considered Group lessons to benefit the entire membership. Arrangements CAN be made for private lessons and are outside the scope of this policy. Contact the instructor of your choice to make arrangements.

Any questions, please see any instructor.

Family Night at Wilmot

Since not everyone is going on a vacation trip we want to give everyone the opportunity to improve their skiing and snowboarding skills. For those of you who were in the club last year, you may recall the Saturday evening **Family Learn to Ski and Board** event at Wilmot. This year we will be offering the same event on **December 10th**. We will be offering both skiing and snowboarding lessons.

Cost:

Lift/lesson	\$18
Lift/ski rental*/lesson	\$28
Lift/snowboard rental**/lesson	\$38

Payment is due at the time of sign-up. Lift tickets are good until 11:00 p.m.

- We need 20 people in order to get the discounted price. ***Members and friends are welcome to come out and ski and ride with us. You don't have to sign up for a lesson to take advantage of the discounted tickets.***
- Children must at least 8 years of age and must be a relative of a member in order to take lessons.
- Waivers for minors will be available at the meetings in November and December. ***Waivers must be signed by a parent and the relative accompanying the child on the trip.***

Lessons will begin at 4:30 p.m. Plan to meet by 3:30 p.m. to pick up your rental coupons and lift tickets. If you are only picking up lift tickets, 4:00 p.m. should be fine. This should give you enough time to get ready.

Renting equipment:

- If you are renting equipment plan to arrive by 3:30 p.m. Rentals are an additional cost. *\$10 extra for skis, boots and poles and **\$20 extra for snowboards and boots. Security deposits will be required:

HAPPY HOLIDAYS, IBEX!!!

On Wednesday, Dec 7th, we will have our Annual Holiday Party! Come join us at our club meeting location — Crave — for an evening of festive, holiday fun!! Appetizers will be provided!

Start thinking about holiday munchies!!! No, not just a cookie contest — a holiday snack contest that can include cookies, but can go way beyond! And judging by some of last year's contestants, we have an extremely yummy-minded group of snackers in our midst!! Awards will be given to the best 3 snack entries as determined by a vote of all snacking Ibex!

What to wear? What to wear? Come dressed in your favorite holiday attire: be creative, spirited, funny — whatever makes you feel festive! All Ibex will vote to decide on the Best Dressed Holiday Ibex (with “best” to be determined by whatever mood swing hits the goats that evening!) So start rummaging through your closet or get out there and shop for a really good outfit and be prepared to have some fun!!!

And what about the gifts??? We'll have a gift exchange again this year for all who choose to participate. (And this year we'll make sure everyone can hear!!) The gift guidelines: \$10 limit, wrapped, no white-elephants, gender-neutral.

Hard to believe it, but we are now officially in the season when I can sign off saying:

Happy Holidays, Ibex!!!
